Waiver of Digital Testing Pursuant)	MB Docket No. 05-317
to the Satellite Home Viewer Extension)	
and Reauthorization Act of 2004)	

**REPLY OF YOUNG BROADCASTING OF ALBANY, INC. TO THE
OPPOSITION OF ECHOSTAR SATELLITE L.L.C.**

Young Broadcasting of Albany, Inc., permittee of WTEN-DT, Albany, New York, (“WTEN”) hereby replies to the Opposition of EchoStar Satellite L.L.C. (“EchoStar”) filed on December 30, 2005, in the above-referenced proceeding.

On November 29, 2005, pursuant to Section 339(a)(2)(D)(vii) of the Communications Act, WTEN requested, out of an abundance of caution, a digital testing waiver for WTEN-DT based on delays in the buildout of its facility stemming from international coordination issues. EchoStar has opposed WTEN’s waiver request.

WTEN-DT is now broadcasting pursuant to program test authority with its full, authorized facilities, and, on January 4, 2006, WTEN filed its application for license to cover its construction permit (*see* FCC File No. BLCDDT-20060104ACC). WTEN submits that, in light of these developments, its digital testing waiver request is now moot, and EchoStar’s opposition, accordingly, may be dismissed.

Respectfully submitted,

YOUNG BROADCASTING OF ALBANY, INC.
